

The screenshot shows the 'Builder' interface with a blue header bar containing a wrench icon and the word 'Builder'. Below the header, the section 'Checkbox Group Value' is expanded, indicated by a blue downward arrow. It contains three binding configuration rows. The first row is labeled 'Data Source Type' and has a dropdown menu with 'Script Variables' selected. The second row is labeled 'Binding ID with the variable' with an information icon (i) and a dropdown menu showing 'Please select'. The third row is labeled 'Binding Display Text with the variable' with an information icon (i) and a dropdown menu showing 'Please select'.

Figure 52: Bindings of Checkbox Group

**InputField, TextArea**
